Tree & Shrub Seedlings!

Tree & Shrub Seedlings Are Available

Planting trees and shrubs is valuable for:

- Creating a shelterbelt around a barn
- Windbreaks
- Improving hedgerows
- Reforesting marginal lands
- Enhancing habitat for wildlife

Financial assistance and technical support may be available. The **ECFSC** is a network of organizations across East Central Ontario working together to support on-farm stewardship in the region.

To find out more, contact a local ECFSC member or visit us at:
